

# SAVE YOUR CITY

In 2004, Californians supported Prop. 1A, preventing the state from raiding local governments. In this economic climate, our group believes in standing with the voters. This is authorization to list our organization publicly as a member of the coalition of organizations, businesses and citizens who **support SAVE YOUR CITY: the Main Street Recovery and Protection Campaign, shielding local funds from State raids**. City Governments are already making difficult economic cuts and decisions of their own, and redevelopment is the State's ONLY ongoing economic stimulus program.

- We SUPPORT job creation, building sustainable communities and affordable housing, enhancing public safety and livable communities, and the economic stimulus that is generated by City services and Redevelopment. Maintaining these basic services and existing programs is essential to the State's economic recovery.
- We OPPOSE State raids on local government funds including City and Redevelopment monies that encourage public security and foster economic growth.
